

Turn yourself into an ALIEN!

Alien Booth makes it easy and fun to transform pictures of your friends, family, pets and coworkers into amazing aliens.

Share your creations on Facebook, Twitter and Email! Use as your avatar pic on your favorite social sites!

Fun interface: Fingerprint scan required to access controls, animated laser image scanner, sound effects, help screen and more!

How it works:

1. Take a picture or choose one from your photo library.
2. Position the markers over the eyes and mouth.
3. Press "GO" to see the face transformed magically before your eyes.

Features:

- Works with photos taken with your iPhone camera or from your iPod Touch, iPad or iPhone photo library
- Easily share aliens on Twitter, Facebook and via email.
- Save aliens to your photo library and send via MMS.
- Shake device to see before and after.
- Toggle between before-and-after portrait and side-by-side views.
- Fun at parties! Instantly transform your friends and post them online!
- Makes great avatar pics!
- Fingerprint scanner, animations and sound effects!
